Subject: Re: FW: MS4 Inspection at NMDOT - District Three Albuquerque, New Mexico

Ms. Gutierres,

It looks like we will not be at your office until 1:00 the afternoon of th 24th. We should be able to finish the inspection that afternoon and not waste your whole day. I'm glad you included your phone number. It will enable me to call you should we see a change while we are there.

Thank you for the directions.

Diana McDonald

FW: MS4 Inspection at NMDOT - District Three Albuquerque, New Mexico

FW: MS4 Inspection at NMDOT - District Three Albuquerque, New Mexico

Gutierres, Una, NMDOT to: Diana McDonald 09/09/2009 02:30 PM

Good Afternoon Ms. Mcdonald,

I have a few questions regarding the MS4 inspection meeting at our District office on September 24th at 9:00 am. How long do you anticipate this meeting should take? If you could also provide me the e-mail addresses of Everett Spencer and Denise Hamilton. I would like to include them on the outlook invitation.

Driving directions from Airport to District Three complex are as follows:

- Start out going **West** on Sunport Blvd. S.E.
- Merge onto I-25 N toward I-40/Downtown /Santa Fe
- Take Exit 231 toward San Antonio Ave./Ellison Ave.
- Merge onto Pan American East Fwy NE/ Frontage Rd. N.
- End at 7500 Pan American Fwy NE. (the district complex is on the left-hand side just past a trailer park)

This link should take you to a visual map from the airport to our office (http://www.mapquest.com/mq/1-2k3OP14lVAYcZE7).

Cc: Everett Spencer, "Joel Straquadine"

Hi Diana,

505-277-9756

My office address as UNM Safety & Risk Services (SRS) is 1801 Tucker St. NE, ABQ, NM 87131.

Directions from the airport would be as follows:
North on Yale Blvd, to west on Girard, to north (a few miles)on University Blvd past Lomas Blvd, to next right (E.) on Tucker St., turn next left (N.) into a large parking lot with tan corrugated metal bldgs (SRS) on NE corner of parking lot.

There's no signing your life away to get onto our public campus, just remind me to get you a parking pass for your rental car so you don't get a parking citation.

Thx, Vern

Subject: RE: MS4 Inspection

'Morning

I just need directions from the airport on how to find you. And, are there any specific procedures we'll need to follow once we get there? Like go by Security? Some universities you have to sign your life away

of the University's Construction BMP and your Floatables BMP. We should be there at 1:00 to begin. If you have any construction underway, we will have one of our inspectors accompany your stormwater inspector on an inspection. We will also need space to set up our laptops for our interview questions.

The process will be similar to when we were there before, but we will be inspecting the University at this time. We will need a list of any construction being conducted within your MS4 jurisdiction, a list of any industrial facilities within your MS4 jurisdiction, and any storm water inspections conducted within the last twelve months. We would also like to see the latest Storm Water Management Plan for the University.

Please send me a location and directions as soon as you can. If you have any questions, please do not hesitate to contact me at the number below or by return e-mail.

Re: MS4 Inspection at NMDOT - District Three Albuquerque, New Mexico
Diana McDonald to: Gutierres, Una, NMDOT 09/16/2009 07:44 AM

The only agenda I have prepared is an agenda for the entire week. Since this is an inspection and not an audit, we will cover the construction and floatables portions of your program. One of our inspectors will accompany one of your inspectors on an inspection of a construction site. That will take place while the rest of us are going over your construction program. Inspections for MS4s (and co-permittees) are different from an audit and different from a regular onsite inspection. I will attach the agenda for our entire week. As you can see, we will be there at 1:00 on the 24th (assuming we don't get lost).

If you have any questions, please don't hesitate to ask. Let me give you my cell phone number so if we need to we can communicate after we arrive on Monday for the first part of our trip. It is 254-625-1892.

MS4 Inspection at NMDOT - District Three Albuquerque, New Mexico

MS4 Inspection at NMDOT - District Three Albuquerque, New Mexico

Gutierres, Una, NMDOT to: Diana McDonald 09/15/2009 05:20 PM

Good Afternoon Ms McDonald,

Is there an agenda available for the MS4 Inspection on September 24th? If so, could you e-mail the agenda so I could provide it to the staff attending the meeting.

Thank you and have a great day,

Una Gutierres

Subject: RE: Audit location

Here are some pictures of the conference room in 304. There are two duplex outlets in the room along with a large conference table. This table should easily accommodate laptops and papers.

Our kickoff meeting on Tuesday morning will probably need to be held in a larger room and I've arranged for a conference room (#7097) on the 7th floor of this building right outside the Department of Municipal Development office from 8 AM to 10 AM. I'll ask
