Hey guys. The last thing I saw about this case was Tom K's 8/29/17 comments on IDEM's APO. Would one of you please tell me what if anything has happened since with this?

Hi Ray,
The next steps for this case in sharepoint is awaiting State action.
There's a management call with IDEM tomorrow and Pat is interested in what exactly is the follow-up action for this case.
Any information you can provide would be greatly appreciated. Thanks
