Thanks for the update. Most likely, we will put it all on a CD and mail it to you.

Thanks,

Re: Section 114 Request Letter

Mr. Taylor;

In addition to my email yesterday.

Electronic document submittal is fine. However, Confidential Business Information (CBI) should not be sent via email. As we can not guarantee that our email is a secure mode of transmittal. If you have CBI information please put it on a CD or flash drive that

is clearly labeled
and separated from non-CBI information, and send it
via the postal service
of you choice.

Thank you for you cooperation.

Subject: Section 114 Request Letter

Dave:

I received the Section 114 Request letter today. I
have a question
regarding electronic vs. paper submittals. Almost
everything requested
should be available electronically in PDF format.
Would that be acceptable
for things such as the P&IDs, mechanical integrity
standards, and PHA
information, or would you prefer paper copies?

Thanks,

Tobey Taylor
