Hello. I'm just following up for Susan to see if you plan to provide input to TCEQ on Exide's NOD response, and if you have any issues with meeting their request to have it by Tuesday (considering Monday is a holiday).

Thanks,
Melissa

I just had a call from Bill S. and he is looking for any input from EPA by next Tuesday the 12th on Exide's NOD response. They want to send a response back to Exide on the 14th. Enforcement folks - I expect that this is your lead- any issues with meeting this timeline?
