every 2 week(s) on Thursday from 4:00 PM to 4:45 PM

As Spring starts to take hold, I want to use this meeting to have a regular check-in on activities associated with Gold King.

This will be an opportunity to share the latest and be coordinated on the following:

Water quality monitoring
Interactions with our partners
Grants and assistance
On-the-ground developments
After-action items

While it is helpful to have discussions on discrete topics, this forum will provide an opportunity for everyone to hear what is going on, what might be around the corner and share perspectives.

Thanks.
