Hi Jillian,

Looks like the only time I could make a call among those options is 6/14 from 10-11; I'm sure others from DOEE will have more flexibility in their schedule, though.

Thanks,

Subject: Anacostia Trash TMDL - Status Report and TMDL Establishment Discussion

Hello Everyone,

Thank you thus far for your comments on our draft status report. If possible, we'd like to schedule a call to discuss the draft as well as the concept of an EPA-established vs. state-established TMDL. As a reminder, if MDE and DOEE wish to request that EPA establish the TMDL, we are asking for those letters by June 22nd.

By chance, do these dates/times work for MDE and DOEE?

- Thursday, 6/14 from 10 – 11
- Thursday, 6/14 from 2 – 3:30
- Monday, 6/18 from 11 – 12
- Monday, 6/18 from 2:30 – 4

Thank you,

Jillian Adair

Subject: RE: Anacostia Trash TMDL - Draft Status Report to Court - Requesting Comments by 6/4/18

Hi Everyone,
First, I wanted to say thank you to MDE for sending these comments. I also wanted to check with DOEE to see if there are any comments from the District. We plan to finalize the status report in late June and it would be helpful to have the letters of support by no later than June 22, 2018. Are there any concerns with meeting this deadline? We can schedule a conference call if needed. Thanks, Jen

Please review the draft status report and send comments by **COB Monday June 4, 2018**. As discussed on the call, I'm also forwarding letters from states requesting EPA to establish a bacteria TMDL for the Ohio River. These can be used as examples for Maryland and the District to consider in preparing letters requesting EPA to establish the revised Anacostia River Trash TMDL. We can schedule a conference call to discuss further if needed. Please let me know if there are any questions or if additional time is needed. Thanks, Jen
