Hi Jen,

Yes, MDE provided comments on the status report and acknowledged the 6/22 deadline for the letter, so I'm assuming that they will be sending it by then.

Thank you,

Hi Ev,
FYI that I sent a request on 6/5 to DC and MD to confirm they plan to send the letter of support on Anacostia Trash by requested deadline of 6/22. We heard positively from DC in the attached email but I have not seen an email from MD. Perhaps Jillian received it directly? Jillian, would you check? I can send a reminder to MD but don't want to do so if we've already heard back from them. Thanks, Jen

Hi Everyone,
First, I wanted to say thank you to MDE for sending these comments. I also wanted to check with DOEE to see if there are any comments from the District. We plan to finalize the status report in late June and it would be helpful to have the letters of support by no later than June 22, 2018. Are there any concerns with meeting this deadline? We can schedule a conference call if needed. Thanks, Jen

Hello -

The following are brief comments from MDE:

1. Lee Currey requests the following:

Take "periodic" out of the sentence in first point of Status Report. Instead, say "EPA will have regular communications with MDE and DOEE."

2. In my notes from the call, I had that we would consider creating a workgroup. This could be added as a fourth item, if desired.

Thanks,
Anna

Hi Everyone,

Thank you for attending the call on May 9th. As part of the next steps, I'm forwarding the draft status report due July 2, 2018 per the court's March 30, 2018 order. Please review the draft status report and send comments by **COB Monday June 4, 2018**. As discussed on the call, I'm also forwarding letters from states requesting EPA to establish a bacteria TMDL for the Ohio River. These can be used as examples for Maryland and the District to consider in preparing letters requesting EPA to establish the revised Anacostia River Trash TMDL. We can schedule a conference call to discuss further if needed. Please let me know if there are any questions or if additional time is needed. Thanks, Jen
