WATERSHED PROTECTION DEPARTMENT

Environmental Resource Management Division

Mike Personett
Assistant Director

Jackie Ramos
Program Specialist

Watershed Education

Jessica Wilson
Environmental Conservation Program Manager

- **Susan Wall** — Conservation Program Coordinator
- **Sara Heilman** — Conservation Program Coordinator
- **Katie Sternberg** — Conservation Program Coordinator
- **Denise Delaney** — Env/Conservation Information Specialist
- **Jessica Gordon** — Conservation Program Coordinator
- **Aaron Hicks** — Graphic Designer B
- **Trent Atkins** — Program Analyst

- Earth Camp / Earth School
- Green Neighbor
- Grow Green / Green Garden
- Hydrofiles / Ichthycide
- Scoop the Poop
- General Outreach

Environmental Support Services

Susana Herrera
Program Coordinator

- **Myrtle Bashara** — Admin. Specialist
- **Jo Dee Myatt** — Admin. Specialist
- **Cynthia Johnson** — Admin. Assistant

- Administrative Support
- Records Management
- Space Planning

Water Resources Evaluation

Chris Herrington, PE
Supervising Engineer

Groundwater Evaluation

- **David Johns, PG** — Environmental Scientist Sr.
- **Sylvia Pope, PG** — Environmental Scientist Sr.
- **Scott Hiers, PG** — Environmental Scientist Sr.
- **Nico Hauwert, PhD, PG** — Environmental Scientist Sr.
- **Joan Balogh, PG** — Environmental Scientist Sr.

- Groundwater Investigations
- CIP/Development Review
- Geological Studies
- Barton Springs/Aquifer Protection

Watershed Modeling And Analysis

- **Ed Peacock, PE** — Engineer C
- **Rob Clayton** — Programmer Analyst Sr.
- **Aaron Richter** — Graduate Engineer B, EIT
- **Abel Porras, PE** — Engineer C

- Surface/Groundwater Modeling
- Statistical Analysis/Review
- QA/QC Coordination
- Data Management
- Monitoring Plan Review
- WW Permit Application Review
- Policy Development

Endangered Salamander Protection

- **Nathan Bendik** — Environmental Scientist Sr.
- **Dee Ann Chamberlain** — Environmental Scientist
- **Donelle Robinson, PhD** — Environmental Scientist
- **Tom Devitt, PhD** — Environmental Scientist

- Salamander Conservation
- Salamander Captive Breeding

Surfacewater Evaluation

Mateo Scoggins
Environmental Scientist Sr.

MonitoringTeam

- **Andrew Clamann** — Environmental Scientist Sr.
- **Todd Jackson** — Environmental Scientist Assoc.
- **Brent Bellinger, PhD** — Environmental Scientist Sr.

Restoration Team

- **Ana Gonźalez** — Environmental Scientist
- **John Clement, PhD** — Env. Program Coordinator
- **Staryn Wagner** — Environmental Scientist

Lake Management

Liz Johnston
Environmental Program Coordinator

- Surface Water Monitoring
- WPDRD CIP Review
- CIP/Development Review
- Sediment Studies
- Water Quality Lab
- Biological Studies
- Wetlands / Headwater Protection
- Riparian Habitat Restoration
- Invasive Species

Water Quality Monitoring

Roger Glick, PE
Supervising Engineer

Data Operations & Engineering Design

- **Baolin Bai** — Graduate Engineer B
- **Rich Robinson** — Environmental Scientist
- **Truman Zhu, PE** — Engineer B
- **Leila Gosselink, PE** — Engineer C

- US Geological Survey/COA monitoring program contact
- Design of sampling plans
- BMP/monitoring design
- Quality Assurance/Quality Control
- Data processing/analysis
- Engineering Design
- Database Management
- Water Quality and Monitoring
- Watershed Modeling

Monitoring Operations

- **Aboli Moezzi** — Hydrologist Sr.
- **Ryan Burke** — Hydrologist Sr.
- **Sam Mahmoud** — Hydrologist Sr.
- **Jeff Selucky** — Hydrologist Sr.

- Site Installation and Stormwater Monitoring
- Watershed data Documentation
- BMP Testing
- Data Compilation
- Dry Weather Screening

Pollution Prevention & Reduction

Sharon Cooper, R.S.
Environmental Conservation Program Manager

Stormwater Discharge Permit Program

- **John Watkins** — Environmental Compliance Specialist Sr.
- **Rene Avila** — Environmental Compliance Specialist Sr.
- **Chris Miller** — Environmental Compliance Specialist Sr.
- **Ryan Hebrink, LEED AP, CESSWI** — Env. Compliance Specialist Sr.
- **Matthew Dowd** — Environmental Compliance Specialist Sr.

Spills and Complaints Response Program

- **Thain Maurer, CHMM** — Environmental Compliance Specialist Sr.
- **Oscar Garza, CHMM** — Environmental Compliance Specialist Sr.
- **Stan Tindel** — Environmental Compliance Specialist Sr.
- **Patrick Kelly** — Environmental Compliance Specialist Sr.
- **Jaime Nolasco** — Environmental Compliance Specialist Sr.

Jennifer Churchman
Admin. Specialist

- Stormwater Discharge Permits/Inspections
- East Austin Environmental Initiative
- Non-Stormwater Discharge Review
- Emergency Spill Response
- Citizen Pollution Complaints
- Austin Clean Water Partners Program
- Shade Tree Mechanic Program
- Food Service Environmental Assessment
- Contaminated Groundwater Evaluation
- Coal Tar Ban Enforcement Program
- Urban Seep Program
- City Facility Compliance

Stream Restoration & Stormwater Treatment

Mike Kelly, PE
Managing Engineer

vacant
Supervising Engineer

Project Team 1

- **Janna Renfro, PE** — Engineer C
- **Lee Sherman, PE** — Engineer B
- **Michelle Adlong, PE** — Graduate Engineer B
- **Susan Kenzle** — Landscape Architect II
- **Chris Adams** — Project Coordinator

Project Team 2

- **Charlie Kaough, PE** — Engineer C
- **Tom Franke** — Graduate Engineer B
- **Clayton Ernst** — Greaduate Engineer A
- **Darcy Nuffer** — Engineering Assoc. B
- **Sean Thompson** — Engineering Assoc. C

Waller Creek

- **Kristin Pipkin, PE** — Engineer C
- **Jackie Ramos** — Program Specialist

- Water Quality CIP Program
- Water Quality Control Planning & Design
- BMP Design Criteria
- Alternative BMP Evaluation
- Erosion Control Design
- Stream Restoration Planning & Implementations
- Stormwater Treatment
- Erosion Assessment
- Erosion Control/CIP Program
- Waller Creek District Restoration & Redevelopment
- Green Infrastructure Team

Last Revision: June 2015
