Dear Mr. Clark,

In reference to your certified letter received 8-12-86, to our knowledge we have not received information to file the form you refered to.

We filed for an EPA identification number because we anticipated the use of Kodak E-6 color processing. We later decided not to use this process.

We will gladly cooperate with your requests upon receiving additional instruction from you.

Sincerely,

Dominic Caranfa
Operations Director

RECORD OF COMMUNICATION

RG-123 (2-84)

EPA

ACKNOWLEDGEMENT OF NOTIFICATION OF HAZARDOUS WASTE ACTIVITY (VERIFICATION)

This is to acknowledge that you have filed a Notification of Hazardous Waste Activity for the installation located at the address shown in the box below to comply with Section 3010 of the Resource Conservation and Recovery Act (RCRA). Your EPA Identification Number for that installation appears in the box below. The EPA Identification Number must be included on all shipping manifests for transporting hazardous wastes; on all Annual Reports that generators of hazardous waste, and owners and operators of hazardous waste treatment, storage and disposal facilities must file with EPA; on all applications for a Federal Hazardous Waste Permit; and other hazardous waste management reports and documents required under Subtitle C of RCRA.
