Subject: MARAD Application Status - Texas Gulf Terminals

Mr. Lawrence,

On behalf of Texas Gulf Terminals (TGI), we would like to schedule a meeting with Mr. Larsen and yourself to discuss the EPA's comments regarding TGI's MARAD application. We would also like to discuss the existing memorandum presented in Appendix BB concerning the jurisdictional determination of the single point mooring buoy (SPM).

We will already be in Dallas for a meeting scheduled with the EPA Region 6 on Tuesday morning, March 19th, 2019. If possible, we would like to meet with you at 1:00 pm on the same day. We are also available to meet the following morning (March 20th, 2019).

Please let us know if either of these times work or offer a time more convenient for yourselves.

Thank you,
R Bryan Luper
Senior Engineer
