These are good. Add Austin's system wide BWA and it's complete .I sent the news clips to Peter, Anita, et al. as advised this morning.
I'll cover the 10:30 meeting. You stay on the line and report out in case I'm not back. Just let people know I'm covering another management meeting.
Thanks,
Jim

Tribal 3Ts Project – we are communicating results that are coming in, none above AL, but we are providing recommendations on anything above DL
