**** External Email ****

Good afternoon to all:

In efforts to conduct community outreach for Lowerline removal efforts, can you please provide me contact information/emails/phone numbers for those that you feel should be included on the communication/notification strategy.

Being mindful the attached flier was handed out in the community previously (no community interest at that time) once the removal efforts begin there will likely be many questions that need answers.

The removal action will involve the excavation, removal and offsite disposal of contaminated soil and road base on Lowerline Street near the intersection of Coolidge Court. (Gert Town).

In working together to make sure the community is not alarmed we want to reach out before removal efforts begin to make sure all interested parties are aware:

Local Elected Officials

cleanup efforts timeframe
In the event of emergency
keeping their family/pets safe
where to get information
Health concerns
spokesperson
Traffic impact
Health Services

Please provide information the soonest!

Thanks,
