Good Afternoon Charlotte, Nancy, and Erik,

The Equity Review email to OCSPP leadership for this matter was sent on 03/13/19.

After your approval, the Awareness Review email was sent under the new FOIA Efficiency Memo guidelines in which OGC advised that it only be sent to the identified positions in that memo.

However, we wanted to make sure all in OCSPP leadership received the Awareness Review email so that we can be on the same page which is why I am forwarding a copy for your records.

Please let me know if there any questions.

Thank you,
Nick

Good Afternoon All,

The Office of Pesticides is responding to the above-referenced FOIA request that is currently involved in litigation, *Wiley Rein - Chlorpyrifos ESA* - EPA-HQ-2018-003940 - ED_001776. We are providing this awareness notification email pursuant to the Chief of Staff's November 16, 2018 memorandum "Awareness Notification Process for Select Freedom of Information Act Releases". Recipients of this email have up to three business days following transmission of this email to review the documents to be released.

There is no requirement for you to respond to this email or otherwise take action. The Action Office has completed review and obtained management approval consistent with the agency's FOIA policy and procedures.

After 4 p.m. on the third business day after transmission of this email, the Action Office will issue the Agency's FOIA determination to the requester(s). The determination will be issued promptly, but in no event later than one business day following completion of the three-day awareness notification period.

The information provided below is consistent with Paragraph 4 of the November 16, 2018 memorandum.
