Tom,
I took these photos of the arroyo in the Vigil property this morning but the light isn't too good. I'll take a few more tomorrow afternoon when the light should be better and send them to you.
As you can see, Vigil has not removed any fill material from the arroyo. I believe his 60 days have expired and I wanted you to know the status of the arroyo/sluice.
I cannot tell you what Vigil has done on the river since it is on the west side of his property and I do not have a view of that area.
Did you receive the aerial pictures I sent?

Thanks for all you help,

Karen J Martinez
