Thanks, Matt. We'll review and wait for the final.

Yes, that's it. I see that I used an outdated version to do the redline… that's what I get for relying on our document writer! This should be a better representation. Note that I also defined "day of the incident" in paragraph 44.

Thanks, Matt. Looks fine overall. Did you end up adding the language concerning concurrence from DOJ? I am assuming this is para. 23 but I didn't see it redlined.

Terry,

We should be mailing a document for DBM's signature in the next day or two. I'm attaching a redline, but there were no significant changes – a couple of typos and some style changes.
