Good morning, Matt-
Yes, we are planning on it. I will have operations personnel (either Jack Bates and/or Jay Westre) and HSE personnel (Sylvia White and/or Bill Grygar) on the call with me to answer any specific technical questions you may have. We are looking forward to it.
Do you have a conference line we need to call into or would you like us to provide one?
Thanks-

Terry,
Just wanted to confirm that we're still on for our conference call to discuss the DBM explosion tomorrow at 1pm.
