Attached is Tribal Affairs priority list.

6WD is working on the Pueblo of Santa Clara 319 waiver request; I didn't place on our list.

All,

We have been asked to send a list of priority actions/activities that require attention the next three weeks, and then too add actions/activities that we would need to work on and/or plan for through May.

Add all known significant items to the blank spreadsheet that is attached and send to me and Arturo by 1pm on Tuesday. If you are not sure add it to the spreadsheet, we will discuss the action items at the meeting tomorrow at 2:30 pm. Any information that we should be aware of and there is no column for it - add to the section "Action".

The spreadsheet is due to David by COB tomorrow evening.

I have attached the spreadsheet of actions sent to the RA's office in December that required attention while on furlough as an example.
