NON-TOXIC

Entirely made with "clean ingredients" and is non-toxic and non-mutagenic.

BioErase contains no alcohols, chlorine bleach, ammonia, hydrogen peroxide, methanol, quaternary, or glutaraldehyde. It is non-carcinogenic and non-pathogenic.

BioErase is a broad-spectrum antimicrobial cleaner. Antimicrobial products kill or slow the spread of microorganisms. Microorganisms include bacteria, viruses, protozoans and fungi.

PRECAUTIONARY STATEMENT

Keep container tightly closed. Do not eat or drink while using this product. Wash hands thoroughly after handling. Avoid strong oxidizers. Dispose of in accordance with local, regional, federal, or international regulations as specified.
