Thanks – so just to be clear E(4) is a requirement of the Hawaii law and is not an additional requirement that the agency is requiring? And if so, can that be clearly stated?

Subject: Informal Resolution Agreement with Hawaii Department of Agriculture
Importance: High

Hi Joe,

Here is where we have ended up on this agreement per our call with HI DOA this afternoon. I have sent this to them just now for their final review. Once they give a final thumbs up, they are expecting me to put this in final, sign it and send it to them by this coming Wednesday. It is anticipated the Chairperson will sign the agreement next Thursday 5/23 and send it back to us. At that time, I would append the Agreement to a boiler plate resolution letter and issue it to the Complainant and Recipient as the formal resolution of this case.

Ex. 5 AC/DP

Please let me know if you have any questions. Thanks!

Lilian
