coordinate if that's the path forward from USDA's perspective, who is USDA's point of contact, when can we have a larger meeting/ discussion, etc.

Thanks for reaching out. My phone number is 202-564-7299.

Lillian, sorry for the delay and thank you for the reminder. (Frankly, it had fallen through my cracks till now.)

I will be on travel tomorrow through the end of the week but can respond and also get on the phone as needed. My team is working on a response.
