Do we need to brief Cathy on this?

Attached is Final Agency Review meeting invitation on SAN 6616, Oil and Natural Gas Sector: Emission Standards for New, Reconstructed, and Modified Sources Review, rescheduled to March 25, 2019, 12:30-1:30pm (CT). ~~March 14, 2019, 12:30 - 1:30 pm (CT).~~

I'm sure you probably have this covered, but as a precaution we routinely ask the involved division(s) the following:

- Has Cathy Stepp been briefed on this action and do you know and understand her position?
- Are you planning on briefing Cathy before this meeting?
- Do you know if Cathy is planning to attend?
- If Cathy will not be attending has someone been delegated by her to put forward the R5 position?

Please let me know prior to this meeting.

Thanks,
