Hello Scott,

I figured once you reviewed the material you could speak with Marty and see what we or I need to do from there. I believe in our earliest discussion was that the information and/or application would go to you first and then on to IDEM, however in follow up emails it seemed maybe that it should be somewhat simultaneous.

Thanks

Brian

Brian

Just a reminder from our field meeting last month. We requested to have the site photos provided to us within month. To date, I have not received the photos as requested. I need to make sure that I have them by March 23, 2012.

Thank you
Scott
