Greg,

The purpose of the fill appears to be to develop lake front areas for a RV campground. At this point, I am not for sure about if the defendant aims to was mailed so we could all coordinate. To this point, I have not received a response to our letter from them, although they have another week to respond. Marty emailed them on Tuesday 1/3/12. Attached are a 2005 and 2008 aerials as well as a couple of photos. I am leaving the office today and am out on Friday. I will be back in on Monday if you have any additional questions.

Thank you
Scott

Gentlemen: What is the purpose of the two fill jobs at this location?
Is the defendant aiming to make money off of this fill? Who is the contractor(s)? I am evaluating this for potential enforcement action.
Thanks for your assistance.
