Scott, see e-mail below to Brian Schaper. He e-mailed me on the 13th but I wasn't able to get back to him until today.

Brian,

Yes, complete the application for the Corps of Engineers and send it to them. Also, complete the IDEM application and submit that to us. It more important that you get the application to the Corps at this point but we will need the 401 application completed and submitted also. I am sorry I did not get back to you sooner. I was out of town but thought I would be able to answer e-mails. I was wrong.

Hello Marty,

I just sent an email to Scott, I have been reviewing the information online and that has been really helpful, I am working on filling the Army Corps of Engineers application for Scott, it is my understanding that that is the first step, am I correct?

Thanks

Brian
