1. Pierce Mill Cove -

- Motion detection requested by Ropeworks
- Guard rounds by Ropeworks
-

Areas of left debris to HDC

2. ⇒ Riverwalk → Easements after EPA is out of way is prob the best approach. Place sub-grade on top of riverwalk ~~[illegible]~~ row; CNB would file w/ MaDEP for this as CAP.

- Probably → NB side in 2019, after we work in Acushnet / Fairhaven
