Hi Tom,

Thanks for the notes on our revisions, that is helpful! Mazeika and I are coordinating as we finish our sections. I did wonder one thing; between the end of the semester and grading, etc., the several days worth of graduation events this week (Kenyon is a bit intense about that), and the fact that I am heading to Portland on Sunday for a weeklong conference, I wonder if it would be okay if I get you my revisions a few days past the Monday deadline? I'll do my best to be on time, but these past 2 weeks have been extremely full and I want the report to be just right.

Thanks,
Siobhan

If possible, I would like to receive the revisions for Section 3.5 by Monday, May 19th . I have also attached the word file of the 4/23/14 markup draft.
