Hi Emma,

Thank you again for sending the revised section 3.3 for the SAB Connectivity Panel's report. Attached is a list of your action items for revision of the SAB Connectivity Panel's report. These are based on my notes from the two teleconferences last week. You have probably already addressed these in the revised draft you sent to me, but if the list brings to mind any additional changes you want to provide please send them to me by May 19th.
