Paul,

Last week, you should have received notice of EPA's response to your FOIA Request EPA-R2-2017-003521, as well as notice that you will soon be receiving a separate bill for processing costs incurred by the Agency. When we spoke on February 13, 2017, we agreed to set the cost limit for this Request at $1,000, and to contact you with a new cost estimate should the costs of EPA's review begin to approach $1,000. Due to the scope of the Request and the breadth of the Agency's review, the costs easily exceeded $1,000; unfortunately, however, you were not contacted as we discussed. I apologize for the Agency's oversight and write now to let you know that the bill will reflect processing costs of approximately $5,000.

Feel free to reach out if you'd like to discuss this further.

Krista
