Passaic River PRAP Advisory FINAL.PDF

Attached is the revised media advisory.

We'd be looking for brief remarks, ~5 minutes or so.

Also, please coach me on the preferred pronounciation of his last name?

I've heard it:

Sear-Ez

Sear-Is

Sear-Eez

Thanks! We look forward to seeing him tomorrow.

Sorry, I did not (still looking for it).

Congressman Sires will attend?

Excellent!

I guess you didn't see the email saying to add him …sorry can you send out an updated one? Understandable if you can't.

Thanks for trying.

Unfortunately not, our press officer only listed the confirmed attendees/speakers.

Btw, Congressman Payne's name does not appear on the advisory that went out, we didn't hear back in time, but he will be there.

Hi Erica, we just sent out the media advisory – what we'll be announcing tomorrow is our proposed cleanup plan for the lower 8 miles of the Passaic River – the attachments I sent you Tuesday describe what we found in our studies and outline the cleanup alternatives.

Thanks!

No thank you for your patience.

So just to be clear the 2 attachments in your original email is what you will be announcing? Trying to draft TPS..

Hi Chris

I am sorry but I don't have a confirmation as of yet. So please don't let me hold up your advisory. I will notify you of our attendance as soon as I hear something.

Best always

Erica

Hi Erica….

Good to speak with you earlier.

As discussed, attached is a fact sheet and a powerpoint presentation on the project.

Further details on the proposed cleanup plan that EPA will announce will be provided in a call-in for staffers on Friday morning, time TBD.

Current plans for the event:

- Friday, April 11
- 2:00 pm
- Riverbank Park, Newark
- EPA Regional Administrator Judith Enck, Senators Cory Booker and Robert Menendez, Congressman Bill Pascrell
- Congressmen Rodney Frelinghuysen and Donald Payne, Jr., and Mayor Luis Quintana, are also invited

Please let me know if you need any further info.

Thanks!
