Subject: RE: EPA News Advisory: EPA Regional Administrator to Announce Proposal to Add Two Sites in Essex County, New Jersey to Superfund List

You're welcome!

On a different subject: we are in the early planning stages of an event to announce EPA's cleanup plan for the lower 8 miles of the Passaic River – this will be big.

Tentative date of Thursday January 30 (Congress is in recess), in downtown Newark (but indoors!).

Please let me know if the Senator would have interest in participating – thanks again!
