Meeting w/ Lyndhurst 1/15/2013

(1) Backflow preventers
- both CPL + Town agree to pursue option of CPL giving money to town for them to install the backflow preventers } n ag

(2) Flooding
- CPL will put in writing that work will not increase flooding

(3) Pump Station - not an issue

(4) Work in Park
- CPL will not utilize park at all
- will provide security

Town says so restoration discussion moot

(5) Noise
- no bunging of sheetpiles
- just mechanical noise
- Town → should be fine
→ Construction will be occurring at N. Arlington Park too → worried about cumulative effect on Saturday
