The address I have is 36 Madison St, East Rutherford. As I recall this gets me to the Park where it is, and I need to find my way to the building. I am trying to get a map to forward to you.

We will work it out, and get you back as need be!

Marcia

This week is just so busy (as I'm sure yours is too), I don't want to spend too much time away from the office. I was hoping to be on the boat for 1.5 to 2 hours, if this is reasonable.

Do you happen to have the address of the Rutherford facility handy? I always have to search for it.

No specific plans at this point. Let me know what you want to do. I would like to go over the final locations with you at some point, to make sure we are thinking the same thing. We can probably do it on the boat, unless we need to look at the GIS.
