Hi Anne, Jeff and all - checking for any update from WDNR on whether we can do a joint WDNR/EPA press release in signing of Juneau MOU? And recognizing that one approach might be a three-party press release w WDNR/Counties/EPA. Adding Cheryl who is acting for me today and tomorrow. Jim 214-490-6707 cell

Pat Stevens/WDNR had previously said that a joint press release could be considered as we got closer to an MOU. Pat adds below that he's given WDNR's comms office a heads up about a call from us. Hi Jim: Thanks for the VM. I haven't been able to get an update on the discussion today. I also passed on to our communications person that he may be getting a call. Thanks much, and Happy Thanksgiving.
