Faye

Here is the agenda for the meeting on Monday. Please share with Mike, Mark and Robin. Let us know if any other people are attending so we can get them on the security list.

And please let Mike Cooley know that we will allow ten minutes for his ppt. I believe he wanted some time to walk through a ppt.

We can print off copies if that would be helpful.

Let us know if there are any questions or clarifications needed. We can also send a list of EPA attendees to you if that is useful.

Please plan to arrive 15 minutes to go through security.

Have a nice holiday.

Thanks, Doug
