Subject: Hunters Point Shipyard interview request

Hi, Lily,

I hope this message finds you well. I'm a freelance writer and student at UC Berkeley's Graduate School of Journalism, and I'm working on a story about the Hunters Point Shipyard cleanup. I'd like to speak with you about the project; specifically, how the EPA is involved in overseeing the Navy's remediation efforts, how the EPA is taking into account future sea level rise as it assesses the site and the specific challenges in remediating this land.

Let me know when you might be available to talk -- I'm more than willing to work around your schedule.

Best,

--
