Hi Becky,
Our section chief, David Hung, wanted the Valencia WRP tentative to be sent out yesterday (instead of Friday) for public comment so that we could have comments back from interested parties by March 13, 2015. We still can make changes to the tentative between now and the third week of March, if there's something that needs to be addressed.
Also, we spoke with Jenny Newman of our TMDL group and she said that the Upper Santa Clara River TMDL package was sent to Cindy L. earlier this week, so that Cindy could review it for approval.
