Approximate Site Location

Legend

- Groundwater Elevation Contour (ft amsl)
- Consent Order Boundary
- Monitoring Well Location
- MW1-27-19 5.14 — Water Table Zone Monitoring Well Location (not used for generation of groundwater contours)
- MW1-02-31 2.91 — Water Table Zone Monitoring Well Location

NOTES
1. Consent Order Boundary georeferenced from the U.S. Steel 1994 Current Conditions Report.
2. 2007 aerial photography provided by U.S. Steel, March 6, 2008.
3. Site monitoring wells were gauged between October 13 and October 14, 2008.
4. Water table zone monitoring wells MW1-28-74, MW1-27-19, MW4-30-63, MW5-26-52, MW5-29-49, MW5-28-31, MW6-04-29 & MW6-26-20 were not used in the generation of the October 2008 groundwater contours.
5. ft amsl = feet above mean sea level
