Subject: RE: Tribal WQS Workgroup Call Agenda - August

James, could you please reach out to Tod and Tina and ask if there's any updated information that's worth raising with the tribal WQS workgroup? OITA is forming a subgroup to address program-specific implications too. Andy – would there be timely updates to share on that work front with the tribal WQS workgroup? If not, we can tee that up for the following workgroup call.

Thanks

Subject: Tribal WQS Workgroup Call Agenda - August

Hi All,

I'm reaching out to ask if there are any additional items you would like to discuss on our upcoming Tribal WQS Workgroup call (scheduled for next Tuesday, August 18th). At this point we have the following items on the agenda:

- Regional Round Robin
- SAFETEA/McGirt update (Tod Siegal and Tina Alvarado)

Some items we could add to the agenda include:

- Federal Circuit Court of Appeals Klamath Project ESA ruling (see first attachment for initial discussion considering addition to agenda)
- Ken Norton – Mary Lou, on the last call you mentioned Ken wanted to join a future meeting. Do you know what he would like to discuss?

Please let me know if you have any suggestions for additional topics to discuss by **noon this Thursday**.

Thanks,
James Ray
