REVISED DRAFT WASTEWATER PERMIT FOR LOUISIANA OFFSHORE OIL PORT (LOOP):

The Louisiana Department of Environmental Quality (LDEQ) submitted a revised draft joint reissuance permit for the Louisiana Offshore Oil Port (LOOP) to 6WQ-P on January 30, 2018. The LOOP - Marine Terminal is located 20 miles south of Grand Isle, Louisiana in the Gulf of Mexico. LOOP also has adjacent onshore & coastal activities. The deepwater port receives and temporarily stores significant amounts of crude oil from tankers carrying foreign and domestic crude, as well as, domestic crude produced in the Gulf of Mexico. The facility has discharge outfalls into both Federal and State waters which are covered on the joint EPA/LDEQ permit. **Isaac Chen 665-7364**;
