Yes. Claudia mentioned to Stacey and I believe she is planning to attend. I was thinking for this call, we as Permits listen to what facility has to say. I did not extend to others (i.e., Scott Wilson & Standards and similarly Rob) as thought maybe we should keep them as back-up for any future calls/dialogue. That way in case we get thrown a curveball, we can say "Well, we may need to talk with our other folks on that". What do you think?

Hi Paul,

Did you mention that Stacey will be attending? What do you (& CH) think about inviting Rob Lawrence… just as a listener??
