Overnight I did not come up with anymore brilliant ideas. If you need this, I have attached a copy of the correspondence manual. I know office support for letter typesetting is spread thin and just in case you need to know the exact correct format, I have attached a link for you: http://workplace.epa.gov/manual/

Thanks

Here are my comments and tweaks. Kathleen is acting for me on Friday. I'm "cc'ing" Kathleen on the comments so she is aware. I'm also "cc'ing" Ashley on the modeling comment at the end since I didn't get to speak with you before reviewing the comments to see what discussions you might have had with Ashley or Erik.

Hi Jeff,

Melanie and I have been reviewing this project and we have a draft comment set for your review. We need to submit the comments by 7/31. I will also bring you a hard copy.

Thanks
