Just a reminder regarding our conference call. In regards to agenda items, after talking with Ben, outlined are topics we need to cover. However, please feel free to raise others topics that you consider appropriate.

Status of catchment delineations and GIS Analysis (F. John)
Updates on data (B. Jessup)
Next Steps: Reference Sites and Classification Scheme (B. Jessup and group discussion)

I've attached the original N-Steps application with the scope of work which you may want to review prior to the call to help refresh your memory.

The conference call number is (214) 665-8114 which is a regional bridge line that requires no access password and when you call , you will be placed directly into conference.

Please take not of the time frame by time zone 2:00 pm CST; 3:00 pm EST; and 1:00 pm MST.
