Frank:

We write on behalf of respondent ISP Environmental Services, Inc. regarding the UAO for the LCP Chemicals Superfund Site. This shall serve as written confirmation (as required by paragraph 103 of the UAO) of our conference call with you earlier today wherein we requested a conference with EPA to discuss this Order. EPA agreed to our request and suggested that we attend the conference on June 12th along with representatives from respondent Praxair, Inc.

We look forward to hearing from you once EPA has confirmed a time for the meeting on June 12th.

Finally, we appreciate your willingness to circulate a call in number for the conference in the event that our client is unable to attend in person.

Regards,

Camille
