Gene,

All is ok. Send me a copy of the FBI entry as well.

Thx..

dennis

Dennis, Melissa:

Nick Gillespie asked if I could make a CD with photos of the FBI ERT confined space entry. Do you have any problem with that?

Also, he plans on bringing the two sample jars of MCHM that he wants me to ship to NEIC sometime this week. He said he would bring them to me at Coyne Textile. So I may have an hour or so of off-site time to pack and ship the samples.
