
Key:

- Zone of Actual Contamination
- Surface Water Drainage Direction
- Catch Basins and Drain Lines
- Landfill AOPC
- Bulb Slope AOPC
- Spent Sandblast Grit Disposal Area

Sampling Stations

- Pre-FS Sediment and Clam (2011)
- RI Sediment and Clam (2008)
- Pre-FS Smallmouth Bass (2011)

Notes:

The following items were removed from the base map by Ecology and Environment, Inc. (member of WSP):

- Pre-RI Sediment (2007) symbols and labels,
- RI Sculpin Composite (2008) symbols and labels, and
- RI Smallmouth Bass (2006) symbols and labels.

The following items were added to the base map by Ecology and Environment, Inc. (member of WSP):

- Zone of Actual Contamination lines and shading,
- Former Debris Piles #1, #2, and #3 (Ref. 4, p. 302),
- Surface Water Drainage Direction Lines (Ref. 4, p. 303),
- Catch basins and outfalls (Ref. 4, pp. 301 and 303), and
- Landfill AOPC, Spent Sandblast Grit Disposal Area, Equipment Laydown Area, and Bulb Slope AOPC source locations (Ref. 4, pp. 297, 301, 302, and 303).
