SUBJECT: YOUR FREEDOM OF INFORMATION ACT CASE MCIEAST-MCB CAMLEJ2015F0211

This letter is in response to your Freedom of Information Act (FOIA) request of March 6, 2015, which was received on March 9, 2015. In your request you sought the name and address of the current janitorial services contract holder for Marine Corps Base, Camp Lejeune as well as the name of the union representing the contractor's employees.

This request has been determined to fall under the commercial requester fee category. Fees charged are limited to reasonable standard charges for document search, review and duplication when records are requested for commercial use. After consulting with the Regional Contracting Office and the EACO (legal review and submitters notice) the search and review/excising of the responsive records did not exceed the government minimum processing charge; therefore there are no fees associated with processing this request.

The current janitorial services provider is Coastal Enterprises of Jacksonville, Inc. Their address is listed as 224 White Street, Jacksonville, NC 28546-6350. There is no collective bargaining agreement on this contract.

There are no exemptions pertaining to these files therefore; these documents are released in full.

Any questions concerning this matter should be directed to Julie Drake, at telephone number (910) 451-4452.

Sincerely,

P. J. SALVETTI, JR.
