Hi Jesse,

Thank you for doing this. Unfortunately I have a dinosaur beast of @@@@ computer for which I'll spare you the details, but I can't get the secure data transfer service to work for me. I believe it's a lack of a plug-in that likely won't work anyway until I get a new computer.

If there is any way you can email me the files in multiple emails that would be great. I can generally receive up to 20mb in one email. It looks like most of the files are smaller with the exception of the cultural report (15MB).

I apologize for the inconvenience and it's not urgent so when you get a chance.

Thank you!

Emmanuelle

San Francisco, Ca 94105
(415) 972-3969 (phone)
(415) 947-3545 (fax)

Please: All data submittals to our office should be sent by email to datamanager@epa.gov with a copy to me (or your project manager in the Drinking Water Office). Data reports are due no later than the 10th of the month following the month that you receive results, or the 10th of the month following the compliance period, whichever comes first. Please include the whole lab report and copy of the Chain of Custody. Label with PWS name and number; & source or distribution system location codes or names for data collection points.
