Subject:	HDOH-EPA call on 1-24 Draft agenda
Date:	01/23/2013 11:05 AM

Hi Gary and Stuart,

Our call is scheduled for tomorrow and I'll call Stuart's number. Here is a copy of the proposed agenda:

1. NPDES - DOH provide Status and progress check on General Permits.

2. 2013 Grant Negotiations and work planning kickoff. Will we do May meetings?

3. Status of PRC - what is DOH thinking for staffing? Update of State Management Program Plan?

4. Lahaina - Status and Progress update from DOH.

5. Status and progress on Financial Systems work.

6. Action Items from December meetings - pending

7. DOH updates on Leg Session eg. PRC Bill?

8. FYI - Draft IR currently out for public comment (close 2/15/13). Any updates from DOH?

We can see what we get through...
Let me know if you can still make the call given this is leg season.
thanks,
nw
