work plan, economically
viable Consent Order to
be signed Enf monitor
cleanup
EPA concerns - incompatible storage
Fire dept" - fire + explosion
time frame - ~1 day
Product vs waste issue
~30 tanks some empty
tank trailers ~2000+ drums
Company closed down yesterday
Fence breached SW side
Owner doesn't know what's
in some drums
- Inventory
- Segregate
- Gdbbage - verify "cleanness
+ remove
- Runoff a problem
Water Dept - concerned abt
draina WD to sample in street
- Unknown drums to be sampled
analyzed + disposed of
if owner doesn't know what's
in them, their waste
lab to be cleaned out
shock sensitives possible
I-95 ~1 block away
Most adjacent bldgs occupied
- Soil Sampling, runoff to
characterize contam. for
soil removal
1210 G Hesston - 50K to start fix fence
