Peg,

Hope you are staying healthy and safe. Please see the attached letter, which has also been sent to you via certified mail. As noted in the letter, while EPA is interested in progressing its mission work, we recognize that municipalities, state agencies, and businesses may be facing hardships during the COVID-19 pandemic. We believe that negotiations can proceed through remote communications, but we are open to discussing flexibilities with regard to schedules.

Best,

Cathie Chiccine | Attorney-Advisor
